Insulated Tools
cromwell.com.my/info/kennedy

Dear Customer

Introducing a new range of 170 insulated VDE hand tools and tool sets. Every product is safety tested to 10,000 volts and approved to 1,000 volts to keep your people safe when working with electricity.

The range includes all the everyday tools you rely on including pliers, cutters, spanners, screwdrivers, wrenches and more alongside tool sets and accessories for convenient storage and transportation.

Quality without compromise

Insulated tools and accessories manufactured to keep your people safe when working with electricity. Trust Kennedy SE insulated tools to perform reliably and deliver without compromise.

Compliance you can trust

VDE certified, Kennedy SE insulated tools are designed and tested to meet essential regulations and comply fully with key industry standards, including IEC 60900:2018.

Tried and tested

Every tool has been tried, tested and trusted in real world industry environments by discerning professionals.

Readily available

Get what you need, when you need it. Kennedy SE insulated tools are readily available to keep your operations running.

Yours sincerely

A handwritten signature in black ink that reads "M. Easters". The signature is written in a cursive, flowing style.
