- 1 – N95 from 3M
- 2 – Anti Skid Shoecover
- 3 – CPE/PE/PVC/PP Shoecover
- 4 – Goggles

PRODUCTION SUPPLIES:

Wiper

Cleanroom Swabs
The Gold Standard

Swab

Cleanroom Pen

Tweezers

Cleanroom Paper

Production supplies are used mostly in the production floor for assembly and manufacturing work. Interworld manufactures, distributes and subcontracts manufactured products under the Interworld brand. Products that are manufactured for us meet or exceed the quality standards required of our own manufactured products. Most of the factories that manufacture products for us are ISO 9001 certified facilities. The emphasis is on low cost and consistently high quality products to meet or exceed our customer's expectation.

Sticky Mat

Made by PR material

Remove dirt and dust from footwear

Size 24" x 36", 26" x 45" and customised

30 sheets per mat

Color : Blue and white

CLEANROOM EQUIPMENT:

Interworld capable to perform designing and manufacturing Cleanroom Facilities Equipments and fixtures for the building of Cleanrooms.
