

PRODUCT DATA SHEET

Beard Covers

- Economical
- First Line Barrier
- Non-Linting

Interworld Basic Protection SPP Beard Covers are manufactured from strong, lightweight, and breathable spunbonded polypropylene (SPP) fabric, which protects against dirt, grime, and certain dry particulates in nonhazardous environments. Beard covers are rigorously tested and manufactured in an ISO Certified facility under stringent process controls to ensure that each product meets exacting quality standards and performs to specification. Our products are lot controlled and validated through independent lab testing.

Beard Covers Dimensions:
