

# SHINE

## Stainless Steel and Metal Surface Cleaner

alpro®

### PRODUCT DESCRIPTION

SHINE is a ready-to-use spray and wipe stainless steel and metal cleaner and brightener applicable for use in domestic, commercial and institutional. It is specially formulated to provide maximum performance in removing organic soil, stains and dirt and restore its original color and brightness. The unique fast drying formulation makes it an ideal cleaner for use on handrails, elevator and other washable hard surfaces. SHINE is combined with deep penetrating and emulsifying properties that loosen soil for easy soil removal. It is easy to use, safe and non-flammable.

### ADVANTAGES

- Rapidly penetrates, suspends and removes soil and dirt.
- Moderate foaming.
- pH neutral.
- Environmentally and Ecologically sound – Easy disposal
- Low usage cost combined with maximized cleaning result
